

Temporary Fence Panels Specification Sheet

Panel, mesh, frame, accessory and packing reference for temporary fence quotation.

Use this PDF as a detailed quotation reference. The website product page keeps the buyer-facing summary; this PDF keeps the fuller specification tables and RFQ fields.

Quotation structure

- Treat temporary fence as a system: panel, mesh, frame, base, clamp, optional parts and packing.
- The specification table below is rebuilt from partner-factory source data in INDUX MESH format.
- Pictures are used as product references; commercial promises and factory-brand claims are not copied.
